ABOUT THE INSTITUTE

S. S. Agrawal Institute of Physiotherapy and Medical Care Education located in same sprawling campus in Navsari. The college was established in the year 2013. The spacious college building, well equipped laboratories and outpatient departments, well planned lecture halls, auditorium and well-designed administrative office are in compliance with all the norms and running successfully organizing various free physiotherapy camp check up, seminars workshops etc more than 150 patients are getting benefits to improve their participation in the society. Our bachelor of physiotherapy course is four academic years and six months rotatory internship. In terms of up gradation in our profession, Masters of physiotherapy programme of 2 years was started in year 2018.

OUR VISION

We offer unique, refreshing, whole-patient care. We inspire & assist our clients in healthier lifestyles by promoting, restoring & maintaining the physical well-being of our community.

We are a team of innovative, empathetic, exemplary healthcare professionals who are driven by passion, inspiration and performance as we care for our clients from every age, stage & walk of life.

VALUES

EMPATHY :

The foundation of compassionate healthcare professionals

QUALITY :

The foundation of evidence-based, whole-patient treatment

INTEGRITY : The foundation of trust and authenticity

PERFORMANCE : The foundation of healthy patients

INNOVATION :

The foundation of outstanding personal and business results

COMMITMENT : The foundation of engagement and leadership

OUR MISSION

With a clear and simple mission in our eyes we nurture and transform society by optimizing movements to improve the human experiences by providing evidenced based practice. We look forward to heal patients by medical, social, spiritual and psychological means.

On the basis of mission of **"WE CARE, WE HEAL"**, strong pillars of healthy mansion of globe will be established.

OUR SOURCE OF INSPIRATION

Late Shri Shivcharanlalji Agrawal

Every success story has a series of obstacles behind it and those obstacles help them to gain more strength to prepare for future endeavor. Mentioning one of the rare success stories of Late Shri Shivcharanlalji Agrawal. He was born at Gujarpura, Rajasthan in middle class family.

In 1973-74, he marched on to Gujarat in search of business prospects and started grain business with very limited resources yet now turning out as one of the leading poha, rice and sugar industries in Navsari. Shri S. S. Agrawal believed in sharing knowledge for betterment of the society, his family has sensibly maintained the same legacy and outcome is Agrawal Education Foundation.

MESSAGE FROM PRESIDENT

Shri Rajesh Agrawal

Dear parents and prospective students,

In the competitive era of 21st century, the future belongs to those talents who are capable to build a strong foundation and have in-depth knowledge and understanding of their professional field. S. S. Agrawal Institute of Physiotherapy and Medical Care Education was established in 2013 with the aim and vision to make the students successful not only in life, but also conscious of their duties and responsibilities towards their fellow citizens.

From the first moment at S. S. Agrawal Institute of Physiotherapy and Medical Care Education, it's a place where knowledge is lived, not just learned. It is our pleasure to introduce you to our institute. Our institute is for students who believe that education must address the imperatives of globalization and technology, while preserving essential values from the past. I heartily welcome you at S. S. Agrawal Institute of Physiotherapy and Medical Care Education, a place where your dreams will come true.

MESSAGE FROM VICE-PRESIDENT

Shri Omprakash Agrawal

S. S. Agrawal Institute of Physiotherapy and Medical Care Education is a student centric educational institution. Since its inception, the college has committed itself to provide a high class education that prepares students academically, personally, professionally and socially for successful careers in their chosen lives.

STUDENTS TESTIMONIALS

S.S. Agrawal Institute of Physiotherapy & Medical Care
Education

Students of PHYSIOTHERAPY

Myself Vicky Kasundra, General Secretary of Physiotherapy department has written this feedback on behalf of all the students of Physiotherapy department.

As we are pursuing a profession which deals with people in pain who comes to us with in depth belief of getting treated with best possible measures & efficient treatment techniques. These techniques are available in well established OPDs of S.S. Agrawal Institute of Physiotherapy & Medical Care Education through which we are able to provide the best services to the patients visiting our departments and we are able to contribute to the society. Our OPDs are spacious, well ventilated, well equipped & timely managed on everyday basis. We are given postings at different hospitals of Navsari for better exposure of patients and to gain different experiences of ICU, NICU & Cardiac ICU. We have great faculties teaching us at the college. The faculties not only teach us different techniques but also share their experiences with us helping us to grow as a better person and better therapist. We also have external faculties for detailed knowledge regarding different medicine subjects. College is providing us with good facilities of Classroom

PATIENT'S TESTIMONIALS
