

S. S. AGRAWAL INSTITUTE OF PHARMACY, NAVSARI.

AIDS AWARENESS PROGRAM-2025

DATE: 1st DECEMBER 2025

VENUE: S.S AGRAWAL INSTITUTE OF PHARMACY, NAVSARI.

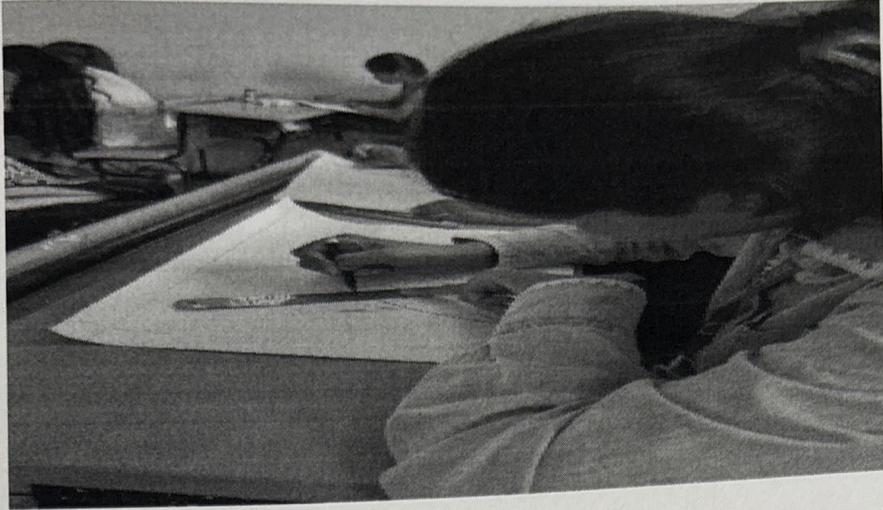

S.S Agrawal college organized an AIDS Awareness Program to educate students about HIV/AIDS, its prevention, and the importance of spreading awareness to remove myths and stigma associated with the disease. The program aimed to promote responsible behaviour and healthy lifestyles among young people.

The event began with a welcome address followed by an informative session led by a resource person from the health department. The speaker explained what HIV/AIDS is, its modes of transmission, preventive measures, and the importance of early testing and treatment. Emphasis was also laid on compassion, understanding, and supporting people living with HIV/AIDS.

Various activities such as poster presentations, speeches, and slogan writing were conducted to actively involve students. Educational materials were distributed to enhance awareness. Students participated enthusiastically and clarified their doubts during the interactive session.

The program concluded with a vote of thanks, appreciating the efforts of organizers and participants. Overall, the AIDS Awareness Program was highly informative and successful in creating awareness and encouraging students to contribute positively towards a healthier and more informed society.

Conclusion: The AIDS Awareness Program conducted in our college was highly informative and impactful. It helped students gain correct knowledge about HIV/AIDS, its prevention, and the importance of early detection and care. The program also encouraged positive attitudes, empathy, and the removal of social stigma associated with the disease. Overall, the initiative successfully motivated students to become aware, responsible, and supportive members of society.
